Email: amit.sharma@gmail.com | Phone: 9876543210 | Location: Bangalore, India

Summary:

Results-oriented Data Scientist with 3 years of experience in predictive modeling and data analysis.

Skills:

- Python, Pandas, NumPy, Matplotlib
- Machine Learning, Deep Learning
- Natural Language Processing (NLP)
- SQL, Power BI, Excel

Experience:

Data Scientist | TCS | 2021 - Present

- Developed ML models for customer churn prediction (85% accuracy)
- Automated data cleaning workflows using Python scripts

Education:

B.Tech in Computer Science, 2020
